## **Airport Minibus:**

The Airport Minibus is a passenger service, which transports the guests at a fixed price from the airport to Budapest and back. The Minibus tickets may be purchased at the airport upon arrival. You can book your journey back to the airport on the 269-8555 Airport Minibus phone number, at least 24 hours before the planned trip. Our hotel is located in the City Area. For more information about the Airport Minibus please visit this website <http://www.airportshuttle.hu/en/>.

## **Taxi:**

By taxi, you may reach our hotel from the airport with the airport's official partner, the Főtaxi (+36-1) 222 2 222 <http://www.bud.hu/english>. The hotel is in the 4<sup>th</sup> zone. We recommend that before departure you check with the taxi driver the expected fare.

## **Public Transportation:**

From the Budapest airport the hotel is easily accessible by public transportation as well. Between the Ferenc Liszt International Airport terminal 1 and 2, and the Kőbánya-Kispest subway station bus 200E carries the passengers directly.

The bus 200 is better adapted to the airport passenger flow: because of its bigger space it is easier to transport the luggage; it travels more frequently, and for a longer time than usual travels. It establishes the connection between the airport and the city after midnight and at dawn also.

From terminal 1 bus 93 carries the passengers to the Kőbánya-Kispest subway terminus. From here travel with subway line 3 in the direction of Újpest-Központ until the Árpád bridge station, then change over to bus 34 until the gas station (Benzinkút) stop. After getting off the bus walk backwards and turn left on the first street, then on the right side of the Piroska street our ship-shaped hotel will be already visible.

Public transportation must be paid for: the one-way ticket price is 320 Huf [if you purchase it from the driver 400 Huf]. You may purchase the one-way tickets at the stations, from remote machines and newspaper stands. A single ticket is always applicable for one trip. We recommend that you rather buy a daily or weekly pass, because this way transportation is cheaper. For further information visit this website <http://www.bkv.hu/en/> .
